

Campus Calibration

Nick Prewett

Director

Why Create Partnerships?

- Many studies suggest that the effort a school puts forth in educating and assisting students has a direct impact on student outcomes
- Students think of the school more often then they think of specific departments, if you don't work together, you may not function.

Campus Partners

Academic Affairs

Off Campus Housing

Our MDHE Grant Approach

- Campus effort create partnerships
- Review default identify students
- Focus on an interest area housing
- Conduct research focused on outcomes

Campus Efforts

- Identified campus departments
- Our first grant worked with Office for Financial Success
- Enhanced entrance and exit counseling
- Identified traits to focus on

Housing as a partner

- Expensive private housing
- How to reach students
- Grad Assistant in Off Campus Housing office
- Workshops
 - How to host a party
 - Understanding your lease

Need for Faculty

- Focus on students at risk
- Identify common issues
- Design interventions
- Conduct quantitative and qualitative studies
- Use research to guide future interventions

Future Goals

- Work with Academic Retention Services on students most at risk academically and financially
- Design and enhance outreach efforts
